USE OF SPACE

The exhibiting company may not assign, sublet or re-sell; in whole or in part, their contracted space. The contracted exhibiting company may share this space with affiliated co-exhibitors, providing co-exhibitors comply with all exhibiting company conditions and rules and regulations; however, the contracting exhibiting company shall continue to be primarily liable for all financial and performance covenants.

The PRIMARY exhibiting company MUST have the prominent identification in its entire contracted booth space. Contracted space MUST appear as one unified booth. All booths MUST be staffed during exhibition hours.

SEMI PV GROUP shall in no event be liable for incidental or consequential damages to exhibiting company arising from or relating to such cancellation.

Should exhibiting company's display and/or material fail to arrive, exhibiting company is nevertheless responsible for the rental of its exhibit space.

Reduction of exhibit space may result in booth relocation.

SEMI PV GROUP reserves the right to reassign cancelled booth space, regardless of the liquidated damage assessment. Subsequent reassignment of cancelled space does not relieve the canceling exhibiting company of the obligation to pay the assessment.

SEMI PV GROUP must receive written notification of any cancellation. All booths must be set and show ready by 5:00pm on the day prior to the opening of the event. Failure to do so will be considered a cancellation, unless SEMI PV GROUP has been notified and has approved otherwise.
